### All MVPA Affiliate Groups should be protected with Liability Insurance

The MVPA has made Coverage Affordable for every Affiliate with this Group Policy through Zurich American Insurance Company.

*The purpose of the General Liability policy is to protect the club against liabilities, other than automobile liability, where the club is negligent, which results in bodily injury or property damage to a third party.*

**Who is Covered?** All MVPA U.S. Chapters and Affiliates that are in good standing and who pay the required fee by 15 February 2014 are part of the group.

**What Coverage?** Subject to the terms and limitations contained in the policy, the group is covered for Commercial General Liability to include: Bodily Injury and/or Property Damage Liability arising out of an occurrence associated with activities of your MVPA affiliated group. This includes Non-Owned Automobile Liability: Protects the Affiliate when property damage or injury occurs when someone is operating a vehicle at an affiliate sponsored event or function, provided the vehicle is not owned by the group itself

**Where is your Group Covered?** For any occurrence on property rented, leased or used for your group activities. Examples are meetings, dances, banquets, flea markets, shows, shopping centers, and parades.

**What is Not Covered?** The policy excludes certain types of events, including any events that consist of mock battles, combat re-enactments, firing of blanks, pyrotechnical displays, smoke, explosives, or flash devices.

**This Coverage is Secondary:** This coverage insures the MVPA chapters and affiliates and doesn't name as insured any person, including a member. As such, it is not a substitute for required insurance for any vehicle at any affiliate event. Each person bringing a vehicle to an affiliate event, whether or not the vehicle is subject to motor vehicle registration, must maintain adequate Personal Auto Liability and Physical Damage coverage. Affiliate group insurance is secondary to the required member's insurance.

**Event Certificate of Insurance:** Upon your request, the MVPA can provide a certificate of insurance for your event from the insurance company. If the owner of a facility at which your group is holding an event requires insurance coverage or an event promoter requires your group to present an insurance certificate evidencing the coverage in the group policy. Contact MVPA-HQ for assistance in getting a Certificate of Liability Insurance issued at no extra charge at least 60 days prior to your event.

**Claim Procedure:** All Claims must be submitted to MVPA-HQ, through which Zurich's agent, J.C. Taylor will be contacted and they will process the claim.

**The Board's intent:** To provide affordable liability insurance all U.S. MVPA Affiliate Groups. Qualified groups returning the 2014 update, membership roster and premium payment are eligible for this group coverage.

**Save \$\$\$:** The coverage should replace any group liability insurance you may have now, and in most cases will cost less.

*The above information are coverage highlights. We encourage you to review the policy available (see below) for complete coverage and restrictions. Coverage is subject to limits, restrictions and exceptions contained in the policy.*
